The Musketeer

The Musketeer, the knight of old,
Was brave, courageous and very bold.
Each day he tried to do his best,
And many times ne'er thought of rest.
It may be strange that these years on
In modern times and knights long gone
That Richmond chose to take the name
Of MUSKETEER, with all his fame.
The choice is good for students try
To show example, and all do vie
To beat the rest, yet one to be
A team of teams—close company.
The Musketeers of old won worthy fame.
And Richmond's Musketeers have earned the name.

DR. ERIC WEST HARDY

With love and appreciation, we dedicate this RAINBOW of 1954 to Dr. Eric West Hardy. Though he is going out from the Academy and Junior College with these graduating classes, he will always be remembered not only for his tangible additions to our school, but also for his contribution to the development of the many young people with whom and for whom he has dedicated his life.

The Sheridan Sabre

The Richard B. Sheridan Memorial Sabre is an award made annually by the Reserve Officers Association to the Cadet Officer of the ROTC unit who is judged to be the best soldier. The sabre is awarded in memory of Richard Brinsley Sheridan, honor graduate of the Academy, who lost his life in the football uniform of West Point.

In order for a cadet to win this award, he must be an outstanding officer, a capable and versatile student, a proficient athlete and a leader in class activities.

The Sheridan Sabre has come to be the most coveted award that any Academy student can receive and without exception these students have been first and foremost gentlemen possessing excellent characters.

GLYNN ACADEMY—18; A. R. C.—0

The Musketeers of Richmond Academy invaded Brunswick for its regional clash with the Red Terrors of Glynn Academy.

In the second period a Red Terror guard blocked one of Fulcher's punts, picked up the elusive pigskin and crossed the goal for six points. The kick from placement was wide.

In the third quarter, Richmond's center, Bulldog Stephenson, snapped the ball over Fulcher's head, which was recovered by Glynn for six points. The point after was again wide.

In the final period, a fumble in the Richmond backfield led to another score for Glynn.

A. R. C.—12; CHARLESTON—6

The Cadets won their first game of the year at A. R. C. Stadium defeating Charleston High Bantams twelve to six in weather more fit for ducks than playing football.

In the fourth quarter with the score deadlocked six to six Bonnie Ford gathered in a punt and scampered down the sidelines before he was brought to earth on the Charleston ten-yard line. Lano Anderson played through for six points and the ball game.

A. R. C.—14; DARLINGTON—13

In one of the most exciting games of the year at A. R. C. Stadium, the Cadets won a close one from the Rome, Ga., prep school.

The scoreboard showing the score tied at thirteen to nothing, the purple-clad cadets came from behind in the fading minutes of the game to win. Gene Griffin and Lano Anderson scored on passes from Co-Captain Sim Fulcher.

A. R. C.—12; COMMERCIAL—6

The Cobras led by tailback Everett Todd came to town with visions of victory in their heads, but the Cadets pulled another one of their story-book second half finishes and went on to victory.

The Cobras led first, on some fine running by Todd and Evans (Commercial halfback) but the A. R. C. eleven played then on even terms to halftime.

The Musketeers came back on the field after halftime and scored two fast touchdowns, the first coming on an aerial from Sim Fulcher to halfback Bonnie Ford. These passes covered some forty yards. Gene Griffin scored from three yards out for the victory.

BENEDICTINE—13; A. R. C.—12

The Musketeers invaded the port city for the clash with the Irish of Benedictine Military School.

Bonnie Ford gathered in a pass from quarterback Sim Fulcher on the first play from scrimmage and scampered into the end zone for the score. Fortune's kick from placement was wide and the score was six to nothing. Benedictine later scored on three plays from scrimmage to sew the game up.

LANIER—20; A. R. C.—6

Kitchens, came to town with a winning streak of eight games in the book.

Early in the second period, a pass from quarterback Sim Fulcher found Gene Griffin in the clear for the Cadet's only score.

Dye, Odom, Swancy, and James led the defensive attack for A. R. C.

McCALLIE—6; A. R. C.—0

The Purple-Clad Cadets from Richmond Academy took the field against the much bigger boys from McCallie Military Academy from Chattanooga.

McCallie finally broke into the scoring column in the third period when they recovered a fumble on the A. R. C. twenty-one yard line. After six line thrusts, McCallie scored.

Mac Stelling played a stellar game at sideback. Curly Stephens and Bev. Hite were outstanding in the line.

A. R. C.—13; SAVANNAH—0

The Cadets got a quick jump on the Blue Jackets and scored in four plays on plunges by fullback Hinton Wells and Gene Griffin.

The outstanding play of the game occurred when Leighton Bourn grabbed a Blue Jacket pass and on a beautiful run, raced 40 yards for the score.

Outstanding A. R. C. linesmen were Odom, Dye, Swancy, and Stephenson.

In the backfield, Wells, Griffin, Sheppard, and Anderson.

RICHMOND—13; G. M. A.—7

In a fine game played at A. R. C. Stadium, the Richmond eleven won a close one from G. M. A. Prep School.

In the first period, Jimmy Cook, G. M. A.'s fine halfback, caught a pass and ran through the entire Richmond defense to make the score 6 to 0. Cook then promptly drilled one through the uprights, and the score read 7 to 0.

Richmond's swivel-hipped halfback, Gene Griffin, was not to be outdone, on some fine ball carrying; the elusive speedster scored both of Richmond's touchdowns.

The entire squad played fine ball the whole game.

A. R. C.—13; CATHOLIC—7

In an exciting game played in A. R. C. Stadium on turkey day, the Musketeers of Richmond Academy took the Irish in a 2AA contest.

In the first period, deep in Catholic territory, Dukes, attempting to run on the fourth down, was brought to the ground after gaining five yards.

Then Richmond took over and on a series of running plays Gene Griffin carried the mail into the end zone.

This ended the scoring until the fourth quarter, when Bob Cleveland on an end around, fumbled the ball, which was picked up by Sim Fulcher who crossed the double stripe for six points to end the scoring.

Henry Dukes won the trophy for the game's outstanding player.

Class Prophecy

Junior College of Augusta

"Forty-second floor, please, Sidney. Since you first started ten years ago here in the Southern Finance Building as a bookkeeper and elevator operator, Augusta sure has grown. Is Dr. Eubanks in? You remember Warren Eubanks who went to school with us at J. C. A.? This is the big day! Ann Reeves—you remember, Ann Smith—and I are leaving today for St. Louis. We are going to watch the big game between the Cards and the Giants." We talked for the rest of the 42 floors and I got off.

No sooner had I tightened my nerves in the dentist's chair than Ann came running in. "Lorita, are they gone? How are you, Dr. Eubanks?"

"Just be patient—it won't take a minute to get these braces off—open wide."

"Zzzzoomm!" "I've got a hard day ahead of me. That noise you just heard was George Rollins in his 'Jet Cub'. He's flying his twelve children in for a checkup."

"Warren, have you heard that Bill Reese is going to be in Augusta tonight at the auditorium? He's on an evangelistic tour through the States. Did you know that he plays the harmonica, piano and organ at the same time? That was his ambition back at J. C. A.—remember? Bye Now."

It was good to talk about what old friends were doing. The weather was nearly perfect—just one lonely cloud in the sky. It reminded me of the beautiful spring days at J. C. A. I was about to say it was when Ann said so herself.

"Isn't the weather beautiful, Lorita? It takes me back to the 'good ol' days' at J. C. A. By the way, I met Mrs. Lamb on my way up to meet you and she told me she is now a religious education worker and is helping her husband, the new bishop. She said that Collie Glover, the Methodist minister from South Carolina is going up to Chicago with Frances Buckley, now famous lawyer from New York, to defend Bruce Jordan. Did you know that he reorganized the Al Capone gang! He was shipping hot air bologna to Mr. Lambert. He's the bologna buyer for Antoine's in Paris now. And Jeanette Roy and Eve Smalley are the income tax experts for Gordon Huff's restaurant."

"Sidney Trimmier was full of news about our old friends, Ann. He said June Crawford's career as an

airline hostess was interrupted when her plane crashed in Africa. She married the messenger boy in a nearby village and is helping him with his work by teaching the natives a new rhythm on the drums. You remember Gaye King. She's married now and has two children. She's working as an X-ray technician at the new hospital. Did you know that while she was at J. C. A. she pulled fifty cents out of the mud in front of her house with her trusty tractor?"

"Yeah, Lorita, we talked about that in bookkeeping class one day. I think she finally sold her tractor to Bostick Chavous. He's raising children on his farm in McBean."

Warren said Jo Tyson's husband has a dentist's office right next to his. She's a grammar school teacher now. I saw her in Victor Williams' super market and she told me that Janet Smith and Sarah Flemister are president and co-president of the Pill Mill Corporation."

"Oh, yes, I saw them on TV last night. They're doing their own commercial since the company lost five million last year. The main feature of the program was Carolyn Leary and her 'classic jazz'."

"Have you seen the billboard on Central Avenue? It's a picture of Margaret Fair at Y-Ki-Ki. She's teaching the tourists the art of surf-board riding."

We walked along thinking about old times when a newsboy passed us. "Did you hear what that newspaper boy yelled! Lend me fifty cents!" Let's buy a paper. Yes here it is—Frances Hett's picture on the front page. She's invented the "Home Maker", a robot that chases men for spinster girls. And look! It says right here that 51% of the stock of the GE Company is now owned by the multi-millionaire, Robert McDaniel with Linda Woo as head bookkeeper and Bill Eason as top electrician."

We hurried on to catch the bus to take us to the airport. As we boarded the plane, the friendly pilot greeted us. It was Mr. Smalley! He said he loafed most of the time and just worked when he wanted to. What a life!

"I sure am glad we won the prize money in that liar's contest. If we hadn't we couldn't have made this trip," Ann said as we took our seats.

Academy of Richmond County

Hello! Mr. and Mrs. Universe, and all the ships in space! This is your announcer, Dan Moyer, bringing you 1974 Passes-in-Review. This program is brought to you by The Brinson Tobacco Company, makers of that GOOD AND SWEET snuff for those who love to sneeze.

January: Sherrill Kelly, renowned artist, and his secretary, Joyce Caldwell, returned from outer space, bringing the first authentic portrait of the man in the Moon. The space ship's captain and co-captain, Roy Harris and Jimmy Holden, reported that after re-entering the sound barrier, the first sound heard was that of Andrew Inman, Chappie Jones, and Ronald Wright, introducing "The Grand Ole Opry" to Mars. Of course, the highlight of the month was the Inauguration Ball, in honor of the newly elected president, Kenneth Merry. This event was ably planned by Del O'Roark and Swain McMurray, authors of the new best-seller, **Parties with a Purpose**.

February: Washington Society Leader, the former Miss Patricia Strong, was hostess at a Valentine Masquerade given at the Jennings-Faglier Hotel. The costume prize was awarded to Margot Teague for her impersonation of Miss Braddy. Entertainment featured FiFi Burbidge and her world famous troupe of Bubble Dancers including: Dotty Zurfluh, Carolan Salley, Sarah Dawson, Marianna Heath, Nancy Blackstone, and Shirley Leverette. During the program, Gene Gibson, the bouncer, had great difficulty in restraining Joe Dukes from demonstrating the African dart guns, souvenirs of his missionary tour in Africa.

March: "In the spring a young man's fancy . . ." Arabian chieftains Bobby ("Lover") White, and Lee ("the Shiek") Ballard added to their harem Caroline Browne, Sarah Pritchard, Grace Creech, Beth Free-

man, and Donna Rice. Announcement of the Earth's contestants for the Miss Universe Contest was made by Judges David Halcame and Billy Henderson. These were: Adelaide Pund, Jane Marschalk, Marilyn Evans, and Marian Cook.

April: The Premier of **A Pushcart Named Perspire** was held at Rountree's Theater off Gwinnett Street, co-starring Martee Harden and Wayne Farmer. The production was a Swancy & Swancy Production. The doorman, Joe Christian, flung open the doors to admit the crowd. First to enter were Barbara Benoit, her husband, (a world famous general on duty in the Far East). Their six children, with William Woo, their interpreter, who doubles as a babysitter; John Bailey, commander of defenses in Europe, and Ford Miller, best-known sergeant in The Marine Corps. Also attending were a group of Hollywood stars, called The Crew, who are making Hit recordings with French titles. They are, of course, Liz Lehmann, Carolyn Griffis, Margie Matthews, Caro McDonald, and Kay Weeks.

May: Jeannie Niehuss, Nan Williams, and Joyce Hodges succeeded in chartering Alpha-Theta-Tri as a National High School Sorority. Lanny Harrison eminent neuro-surgeon, discovered the section of the brain which makes teachers cranky. Miss Katherine Bailey was named Honorary Cadet Colonel of the Battalions on Venus. Barbara Tillery and Hilary Corlett completed the illustrations for Rosalyn Ghitter's new Children's story, **Goldilocks and the Three Cadets**. Also in the Art field, Hardy Risteen published a new calendar, which is said will be more popular than the Monroe calendar of the 50's.

June: After 20 years, Courtney Bailie passed English 42! During this time he wrote character sketches of well-known educators which caused a Congressional Investigation by Senator Breck Brigham. Caro-

lyn Magruder and Bea Dodd, the Coal Dust Twins, invented a formula for passing Chemistry. Harriet Epps began the 3 months job of renovating A. R. C. for the fall term. She planned to install the new Feelavision Sets in each lounge. These were invented by Charles Bell. Pat Bodine, Metropolitan Opera Star, was released from the hospital this month. She accidentally swallowed her tongue while trying to hit High C.

July: In a heat wave at the latter part of the month, Norman Antopolsky attempted to make artificial rain, with dry ice. However, he forgot to use the right cloud, and falling chunks of ice did great damage to Barbara Cook and Nancy Almon's Hamburger (with slaw) Haven. Margie Elser applied for a permit to operate a program for the training of Helicopter drivers at Richmond Academy. The school announced that they would use the roof as a landing field to prevent further congestion in the parking lot. Jenny Wylie, foremost comedienne on Broadway, made her first appearance after an attack of acute indigestion from eating the pie that Helen Myrick threw at her from the Peanut Gallery.

August: Bill Brunkhurst was awarded the Halbert Award for his Master Composition, **Tidal Wave**. Ann Satcher was released from San Quentin after 20 years. She mixed up a formula which removed Mr. Lambert's hair. The Universe Series, (replacing the World Series of the 50's) was played in Rebel Stadium in Augusta, Georgia. Those receiving special mention were: Dickie Grice and Skeeter Griffin.

September: Billy Law and Dudley Baird defeated the tennis champs from Saturn to cop the most coveted of all awards: The Universal Doubles Trophy. It is quite a feather in their cap, since the natives of Saturn use a tennis racket in each of their thirteen arms. Margaret Yarbrough became the head of the French Department at Richmond Academy. It seems

that the students there now have an Accent Extrordinaire.

October: General Bryan Simkins, head of the War Department on Earth, is investigating Soleta Morris' new method of camouflage. Soleta has discovered that if you close your eyes no one can see you. Roy Alewine and Grover Brown have introduced basketball to the moon. Mary Anne Oakley succeeded Fred Astaire, specializing in teaching lanky boys.

November: Chad Ross, famous trap drummer, published his finest composition, **Song of the African Giraffe**. It was a real Thanksgiving for the former Eleanor Kilpatrick. While she and her husband were digging their car out of the A. R. C. parking lot after the Thanksgiving Game, they struck gold.

December: The largest Christmas Party was given by Anne Grantham for former Richmond Teachers. For the entertainment, Charles Killingsworth and Billy West read all the articles which Miss Marshall, and Mr. Scott would never allow printed in a school publication.

Well, I guess that's about it, folks. It's now nearly midnight—A Very Happy New Year to all of you—and remember—Look Ahead. There's always Tomorrow, a lot of 'em! For, due to very careful attention to Mr. Tally's lectures, Ray Allen discovered a calendar which has 730 days, with a morning that is long enough to let us get over the night before!

Gold "R" Society

MR. HENRY O. READ
Sponsor

R

The Gold R Society was founded in 1931 under the sponsorship of Professor Ernest M. Allen. Its purpose is to recognize achievement among Academy senior boys in character, in scholarship, and in three of the four fields of leadership, athletics, military, and other school and community activities.

Left to right: Norman Griffin, Swain McElmurray, Lanny Harrison, Mr. Read, Roy Alewine, Ray Allen, Sim Fulcher, Billy Law, Dudley Baird, Kenneth Merry.

Girls Activities Society

RAC

The Girls Activities Medal is a recognition for service and participation in the various phases of school life. While it is not primarily an academic award nevertheless a recipient must have maintained an average of eighty in academic subjects. In addition to the academic requirement a student must have earned points, total of twelve in athletics, school leadership, and active membership in school organizations that have been approved by the Honors Committee of the Faculty.

When Academy of Richmond County became a co-educational institution in September 1950, the Honors Committee realized the need for recognition of outstanding girl students. The Girls Activities Medal was proposed and approved by the Faculty. The first awards were made during the spring term of 1952.

Phi Theta Kappa

Some 25 years ago the local chapter of Junior College of Augusta began to function.

Alma Mater

Our Alma Mater glorious stands
By old Savannah's turbid stream,
Upreared by loyal hearts and hands,
Fulfillment of her children's dream.
Her noble sons adown the years,
Have proved their courage, conquered fears,
On fields of glory, honor, tears,
Inspired by Alma Mater.

The Spirit of Richmond

The Musketeer Colors

COLOR SONG

Oh, Our hearts with joy are thrilling
When the Richmond colors wave.
And our spirits rise with rapture
When the Richmond Sons are brave.
Fight for victory, fight for honor,
And success will be foretold.
All hail the proud defenders of the Purple
and the Gold!

—F. E. Lambert.
